Subject: U&O FIP routing for management concurrence
Importance: High

Hi everyone,

As I have mentioned, we are beginning routing of the U&O FIP package. The package will travel from the Air Program to ORC then to OPRA and then to the RAs office. I have dropped the hard copy package off in ORC and am sending this email to folks as an advance copy in case you are too excited to wait for the hard copy to come your way and want to dive into the electronic version. Once we have Shaun's signature, the FIP will travel to OAQPS, OGC, OAR. OAR will transmit the package to OP and then OP will transmit it to OMB. We would kindly ask

that your edits focus on fatal flaws at this point, since we are still hoping to finalize this rule late summer and in order to accomplish that, we need to move this package swiftly. Let me know if you have any questions.

Thanks in advance,

Dec
